COMMUNITY RESOURCE SERVICES PHARMACY (CRP)
Hiram W. Davis Medical Center P.O. Box 4030, Petersburg, VA 23803
(804) 524 7657

CRP eligibility criteria include a requirement that prescribing practitioners have a direct affiliation with their local Community Services Board (CSB) or Behavioral Health Authority (BHA), the entity responsible for oversight and management of public funds supporting behavioral healthcare for medically indigent individuals.

Please list below the names of prescribers in your CSB / BHA that are affiliated with each clinic location. This process will be updated yearly, as applicable.

When completed, please forward a copy to the CRP electronically (John.wall@co.dmhmrzas.virginia.gov) and a hard copy with appropriate signatures.
